

REIMAGINING WORK

with Think Productive

YOUR PEOPLE WILL SHINE.

YOUR ORGANIZATION WILL THRIVE.

THE UNIVERSAL PROBLEM

CONSTANT DEMANDS, FRAGMENTED ATTENTION,

PRESSURES ON WELLBEING.

INFORMATION OVERLOAD, ENDLESS MEETINGS,

EMAILS AND INTERRUPTIONS.

ALL OF THIS SET AGAINST A RAPIDLY CHANGING

DIGITAL WORLD.

SO WHAT CAN YOU DO ABOUT IT?

Equip your people with the skills to navigate and to reimagine the changing work landscape.

Long-term overwhelm, burn-out, and disengagement are not sustainable. If your talent does not feel valued or inspired to grow, many will vote with their feet, putting even more pressure on everyone.

Making space for the learning brings back the creativity, the innovation, the openness to opportunity and the motivation to shine.

And it shows your people that you see a bright future together.

WE CAN HELP

By investing in the human skills needed to thrive and lead in any scenario, your people and your organization will develop an **indisputable competitive edge** and a **virtuous circle of employee engagement**.

There are many training partners out there who can help you do this.

But if you're looking for a learning partner who will equip your people with the **tools, strategies** and **confidence** to transform work for the better, and who do it with genuine **passion** (because they know it works) you've come to the right place.

LET'S REIMAGINE WORK TOGETHER

IMPROVE EMPLOYEE ENGAGEMENT

Employee engagement consistently impacts company performance, no matter the industry, location or size of company.

The numbers speak for themselves.

Investing in a great workplace, where your people are doing their best work, fully engaged and feeling like they are contributing to the success of the company, will drive better results for your organization's productivity and its bottom line.

We get that pressure on budgets and the stress of just keeping up with the day-to-day chaos, can make it easy to put learning and culture-building on the side-lines.

But no one should put professional growth, workplace wellbeing or culture in the corner.

Investing in your people shows them you see a bright future together. Making space for the learning is win-win.

Your people will shine, your organization will thrive.

*Gallup's 2020 Q12 Meta-Analysis of 2.7 million employees showed that companies with highly engaged employees experience:

YOU'RE IN SAFE HANDS

LEADERSHIP & MANAGEMENT PROGRAMMES

Bold insights, tools and fresh thinking for every level of your leadership

Imagine a Leadership & Management Programme which grows your people into kind, visionary Leaders who excel with **clarity, confidence and calm**. Who understand the subtle, human elements of managing people and who can unleash the potential of both themselves and their teams.

Imagine no longer.

Like everything we do at Think Productive, these Programmes are human-centred, real, a little bit unorthodox and of course sustainably productive. They have been thoughtfully designed for the modern Leader, with bold insights, tools and fresh thinking to set Leaders apart for the future of work.

Check out our 3-level series of Leadership & Management programmes and get in touch for a full programme overview!

THE HIGH-PERFORMANCE MANAGER (Level 1)

Inspiring self-awareness & brilliance

THE INFLUENTIAL LEADER (Level 2)

Listen. Influence. Connect. Empower.

THE VISIONARY LEADER (Level 3)

Unleash your kind, human leadership on the world

The Organisational Impact

We believe that whatever your level of leadership experience, the job of leaders is to lead by example and to show that by being self-aware, human-centred and sustainably productive, you can build better organisations for those around you.

We'll show you how your job as a Leader can drive higher levels of psychological safety, kindness, resilience, engagement and performance, and ultimately, lower levels of stress, overwhelm, frustration and staff turnover.

We hope you'll join us so that together we can transform the way people work for the better, right now.

Let's create culture change together

Clients tell us time and time again that there is a palpable difference between colleagues who have been on our workshops and those who haven't. They are **achieving more and stressing less.**

Now imagine that kind of impact across your whole organization.

Changing company culture can't be done alone, or by one team. **We firmly believe that organizations that learn together, lead change together.** That's why, if you're looking to make a long-lasting, company-wide impact on your organization, our programmes are the solution! Whether you're looking to run a one-off programme for a cohort of new leaders, a cross-country programme for your global teams, or a recurring graduate programme - **we have something to help!**

Here's a look at some of our most popular change-making offerings, but we're always happy to develop a bespoke programme best-suited to your organization's needs. Just get in touch for a proposal!

When everyone in an organization is using the same emboldening mindset and language, it's a powerful, galvanizing thing!
